EVENT OVERVIEW

The Soweto Investment conference is a high level destination development project initiated by Soweto Tourism and Business Development Association working committee together with strategic partners.

The Aim of the investment conference is to attract local and international investors and partners, who are interested in partnering towards creating and developing Soweto in to an environment that is economically sustainable, business friendly, ecologically welcoming, connected to the globe through the internet and other forms and most importantly attractive to the local, regional and international tourist market to drive direct and indirect foreign capital investment.

Nasrec Expo Centre has partnered with Soweto Tourism in hosting this 1st of its kind in the countries Township Economic development vision.

Brief About the Soweto Investment Conference 2022

The Soweto Investment Conference 2022 will be hosted the Nasrec Expo Centre, situated on the borders of Soweto.

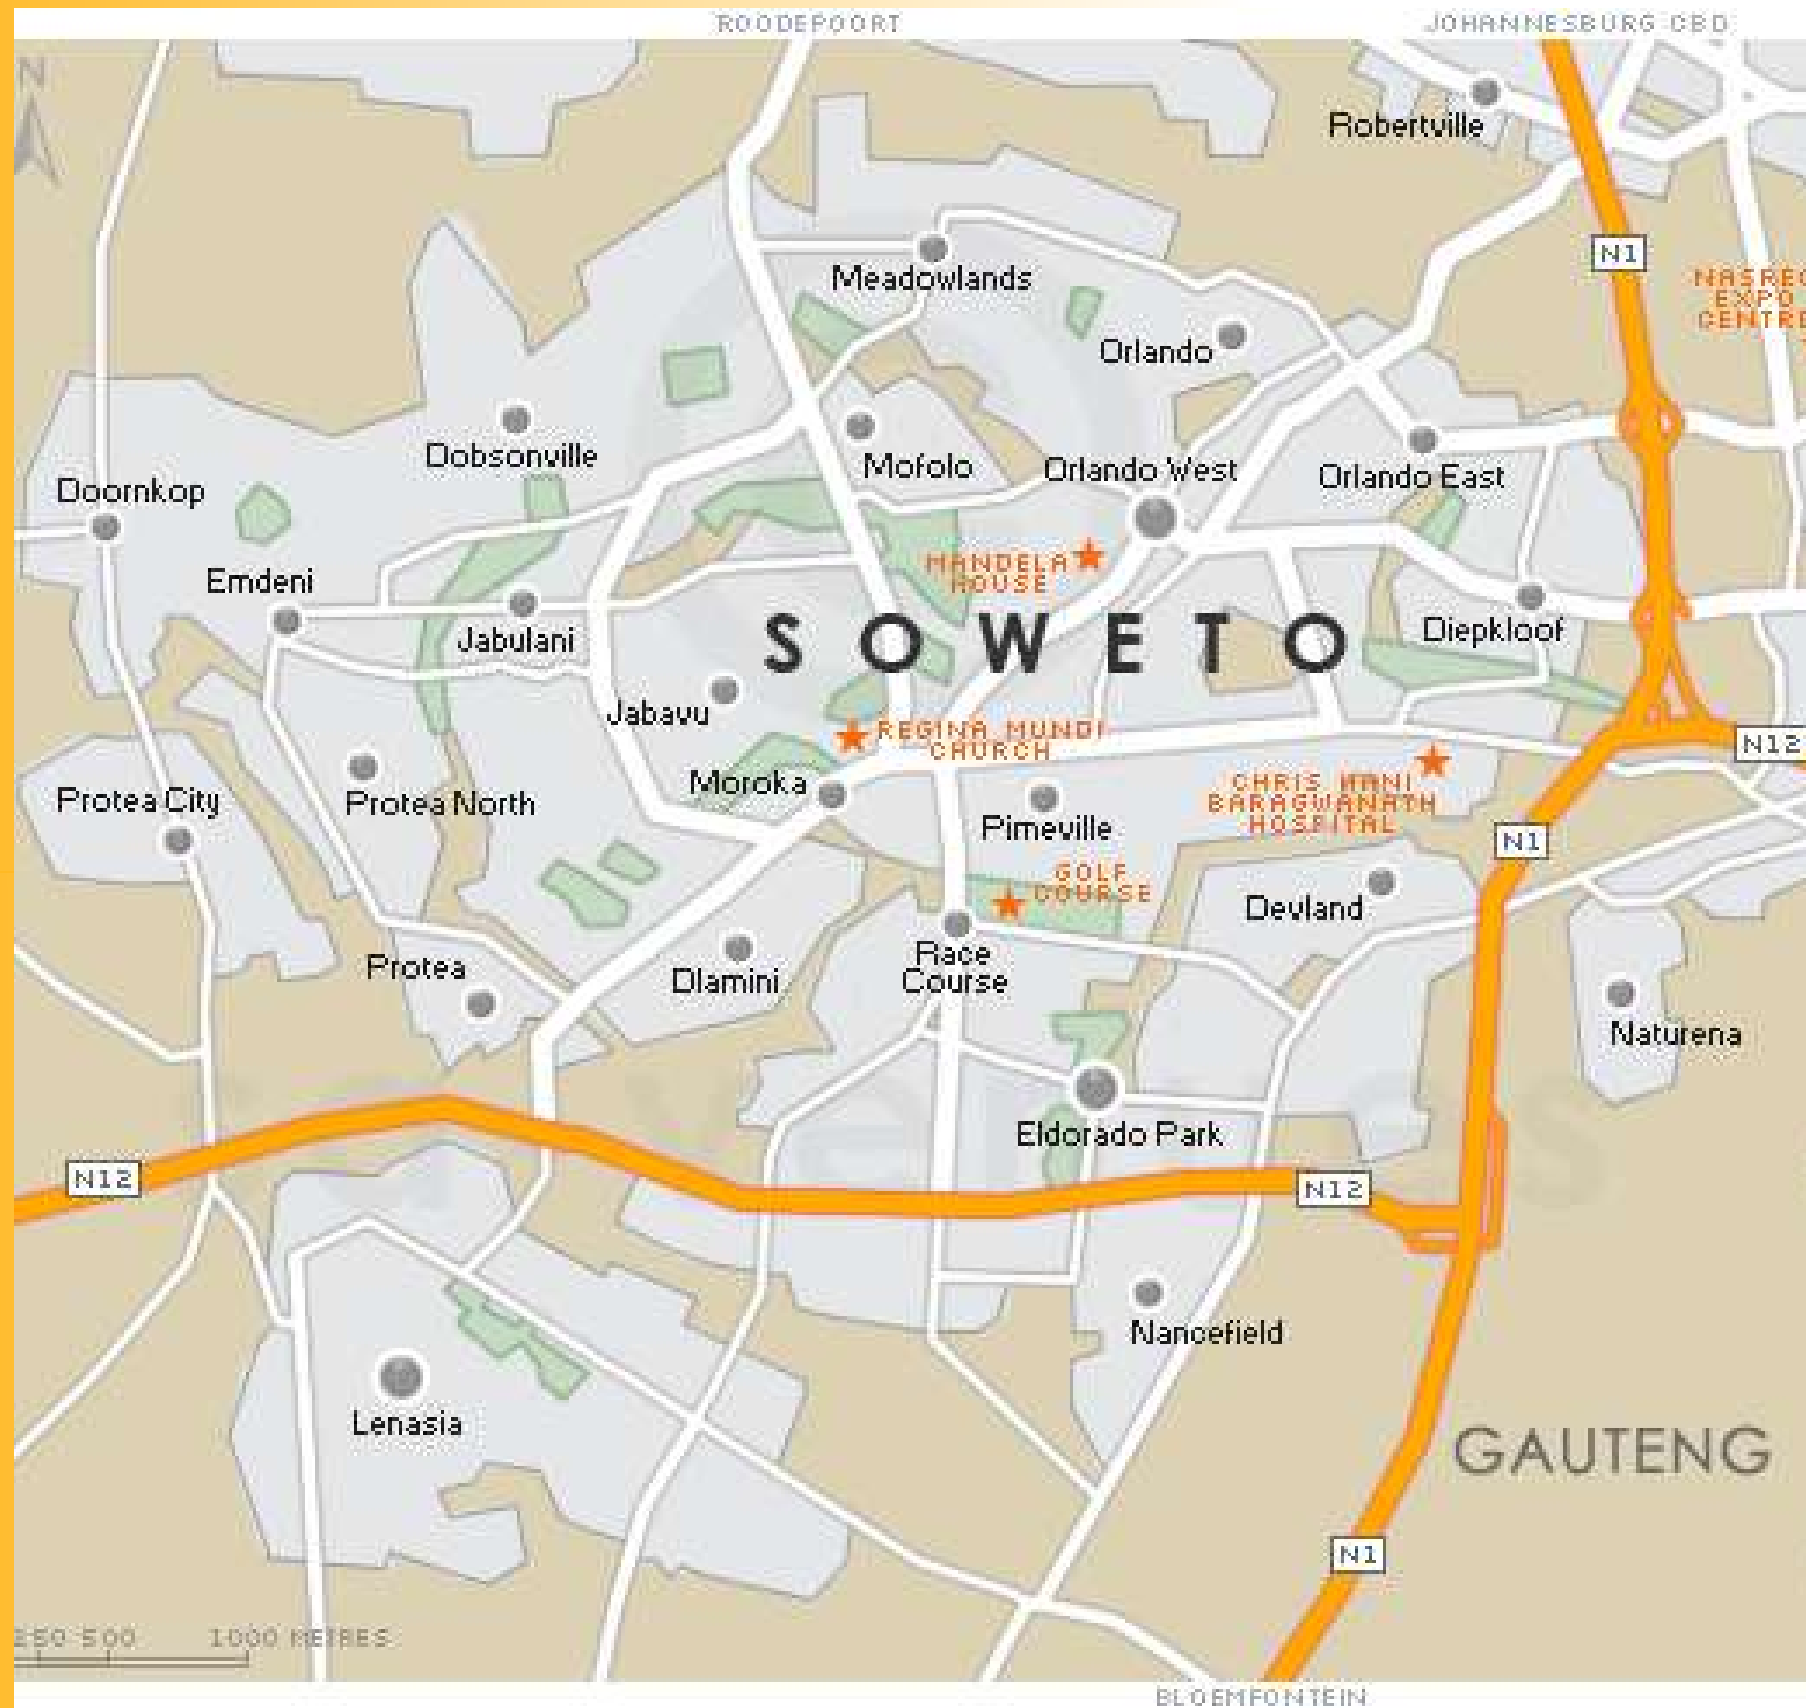

The 2022 event will have four focus areas, namely:

1. Infrastructure Development and investment;
2. Electricity Energy Investment- Alternative energy supply to the community of Soweto;
3. ICT Investment (smart township model) and;
4. Retail investment

The event will adhere to all government covid 19 regulations of the time, inclusive of hosting a hybrid and or digital event.

Investment Target

- We aim to raise 1 billion Rands worth of investment opportunities for the Community and brand Soweto as an investment destination.

SOWETO COMMUNITY INVESTMENT TRUST

- The Soweto Community Investment Trust was founded to act as a one-stop resource platform for investment matching and a social economic development tool in Soweto
- To facilitate economic participation and social economic development of the Soweto Community

INVESTMENT CONFERENCE WORK FLOW

In partnership with Nasrec expo center, GL Events. This year's conference will provide a unique opportunity for investors to gain an insight into the rapidly evolving investment opportunities available in the multiple economic sectors driving the community of Soweto. The inaugural event will first explore key municipal development plans and investment opportunities available in townships and Soweto. Secondly establish a community participation model that ensures the PPP strategy. And finally sustainability of measured economic growth of the township and improved livelihoods with cleaner and attractive environments arising from the opportunities created from the conference.
